MEMORANDUM FOR THE RECORD

SUBJECT: Fischerin SOOBZOKOV

Subject called [] at 1500 hrs Thursday 7 August 1958. Subject made reference to his recent letter which explained his discharge from employment with Mutual Life Insurance Co. of New York, and in his search for new employment he answered an advertisement for an export-import representative to Jordan. The ad appeared on 31 July 1958 in the N.Y. Times requesting replies be made to Box SS 230. Subject received an answer from Bernard Bowman Corp., 122 E. 42nd St., N.Y. 17, N.Y. The letter was signed by Mr. LANGBERG who proposed an interview with Subject on 7 August 1958. During the interview Mr. LANGBERG offered Subject the position on a commission basis but Subject insisted on a guaranteed salary. Mr. LANGBERG promised to consider that point with his superiors and would call Subject back.

Subject wanted us to advise him and to determine if the firm is legitimate. After inquiry it was determined that the firm is not one of our cover organizations and there was no reason to feel it was subversive. The undersigned called Subject on 8 August 1958 and advised him that we have no objection to his accepting the position but to keep us informed.

On 11 August 1958 Subject called, reporting on his second interview with Mr. LANGBERG. The position would entail Subject to travel to Jordan and he would be dealing in textiles, machinery and other commodities under a company name of "Prudential" and for a substantial sales commission but no guaranteed salary. Again Subject declined; however, Mr. LANGBERG insisted that they keep in touch with each other as something could be worked out.

Subject then asked the undersigned to relay the following message to the woman in whom [] and Soobzakov have a mutual interest is leaving on 3 September 1958.

The message was left with [] secretary.
